A More Modern Way to Pool

Offer customers the latest Pentair Pool automation technology with the IntelliCenter® Pool Control system. **The EasyTouch® system** has been discontinued and is no longer shipping, so there's no better time to future-proof your business with an automation solution that will grow with you.

► Easy Setup and Maintenance

Color touchscreen, setup wizard, and over-the-air (OTA) updates get you out of the backyard faster.

► Remote Monitoring

It's your eye in the sky to grow your efficiency and customer loyalty. Make fixes remotely before it becomes an issue requiring a service trip, or know before you go with the right parts.

► Peace of Mind at your Fingertips

Pool control from anywhere, anytime with the highly rated Pentair Pool app. Continual user experience enhancements based on customer feedback give your customers an elevated backyard experience.
